LEGION GAINING IN MEMBERSHIP; BIG DRIVE ON

The next meeting of the Legion lost in this town wil ltake place in the Civic auditorium, July. 23, Monday at 8 p. m., at which time a report will come in from both membership teams, as to what results have been accomplisred. A great deal of friendly rivalry exists between the two teams and it is predicted by one in authority that at least 50 new members will be added to their roster.

This is convention year in San Francisco and all the posts of the state are increasing their membership to place California in the front ranks of the Legion.

Commander Armstrong merits the support he is getting and much may be looked for in results for the coming year.

The Scouts are well in hand asd their membership will soon have to be closed for the season so it is advised that all desiring to get into the local troop be at the next meeting Friday night in their new home in the rear of the gymnasium. The entrance way is on Railroad avenue beside the tracks. By that time the place should be nearly cleaned up or at any rate ready for paint and paper and roofing. These have been busy days for the Scouts but they have had a lot of pleasure meanwhile and they can feel proud of their accomplishment.

CONGRESSMAN FREE TO REST AT LA HONDA

Congremman and Mrs. Arthur M. Free, with their children, are here from Washington, D. C., and have opened their Naglee Park home for three months. They are leavinf in a fw days for their summer place at La Honda, planning to remain three or four weeks, seeking quiet and rest after a strenuous season at the capital. Much entertaining is being planned for them.—S. F. Chronicle:

The above from a city paper shows that Mr Free knows where to find a beautiful section where he can find rest and refreshment after the trying season he has had in Washington.

MAYOR ROLPH SIGNS HIGHWAY BILL

Mayor James Rolph, Jr., on Wednesday signed the San Francisco County supervisors' measure appropriating $250,000 for the construction of the first unit of the Bay Shore road. The City of San Francisco has already given $250,000 to the State Highway Commission for the work so this makes an even half million dollars available for the project. The engineer's office of San Francisco has plans projected and perfected so that actual construction should begin shortly.

LITTLETON TRIAL SET

Frederick N. Littleton, who formerly conducted the naturalization examinations in this county and who is now under indictment for having accepted bribes for allowing aliens to pass the examinations will be tried by the federal court, August 7th. Littleton was before Judge Partridge Monday and pled to five new charges which were filed against him. He is now at liberty on $40,000 cash bail.

MAJOR-GENERAL WALSH PAYS VISIT TO REDWOOD CITY

Major General Robert D. Walsh is here from Chicago visiting his brother, Andrew D. Walsh. General Walsh is a West Point graduate and served with General Pershing in France. At the close of the war he retired from the service, he having reached the age limit required for retirement. General Walsh is now engaged in the investment business in Chicago. His son, also a graduate from the military academy, is now an officer in the regular army and was one of the youngest majors in the service during the war.

Major-General Robert D. Walsh As A Cadet at West Point

The following item in the issue of June 27, 1878 of the Times and Gazette, is an interesting comment upon General Walsh's appointment.

"Examined With Success"

"As we predicted young Robert Walsh, who received the appointment to the U. S. Military Cadetship at the hands of Congressman Wiggington from this district, closed his examinations with complete success. The ordeal finished a few days since, and he succeeded in every study taken up, hence he passed his examinations without any condition.

"The applicant has received no education other than that he got in the public schools of Redwood City, and what he attained out of school by his own study. Hence the results may be interpreted as a compliment to our public schools as well as to the young man's ability. We predict that he will take a high rank for scholarship in his class."

FRANK A. LEACH TO SUCCEED JOHN A. BRITTON

The board of directors of the Pacific Gas and Electric Company on Tuesday named Frank A. Leach, Jr., to succeed the late John A. Britton as vicepresident and general manager of the company.

The new general manager of "Pacific Service" is an Oakland man, having resided there since his early youth. He began his early business training in newspaper work under his father, Frank A. Leach, Sr., former superintendent of the Mint in San Francisco, and later director of the Mint at Washington, D. C.

He entered the pubic utility service twenty-five years ago in the employ of the Oakland Gas, Light and Heat Company of which the late John A. Britton was president and manager. Upon Britton's acceptance of the presidency of the California Gas and Electric Corporation, of which the Oakand Gas Light & Heat Company was a subsidiary, Leach was appointed to succeed him as manager of that company, and also the Berkeley Electric Lighting Company. Then upon the organization of the Pacific Gas and Eectric Company in 1905, Leach became manager of what is now called the east bay division of the combine.

MANY HAPPY RETURNS

Mrs. John Kearse was 84 years of age Thursday. Over half of those years have been spent with her family hers in Redwood City. Mrs. Kearse has long been noted for her piety and good works and has been a true friend to countless families in this community.

For many years Mrs. Kearse made a daily trip to town and made her headquarters in this office and she had a pleasant word and a cheery smile for everyone who passed. During the past year her trips down town have been less frequent, but she is still the cheerful soul she has always been.

A number of Mrs. Kearse's friends dropped in upon her on Thursday to wish hur the compliments of the season.

PETER B. KYNE MOVES EAST

Peter B. Kyne, San Mateo county's contribution to the world of letters, went East to reside, Wednesday. Mr. Kyne is under contract with the Hearst Syndicate which requires his living in New York. As soon as the contract expires he will return to California to make his permanent home.

REDWOOD CITY PROGRESS CLUB HOLDS MEETING

The Redwood City Progress Club held a most interesting meeting at the club house Wednesday evening. President M. F. Hughes called the gathering to order and the first bit of business was the adoption of the constitution.

Reports from the chairmen of the various committees were heard and approved. D. W. Williams for the street committee reported that he had taken the matter of weed eradication and the beautification of the streets up with the city council and that the city attorney has been instructed to prepare proceedings so that property owners will be required to rid their curbs and side walks of weeds and extraneous growth.

Walter C. Baker of the homes committee stated that his committee had gone into the matter of building permits and he was satisfied that Redwood City had a good workable building ordinance.

G. Gregory reported upon the water situation that he had made a careful study of water conditions here and in other cities and that Mr. Lra Kahn who was oo the committee with him had interesting statements to make. Mr. Kahn was then called and stated that he had discussed the water problem of the city with officials of the Spring Valley Water Company and presented a communication from the water company stating that they would furnish water to Redwood City in any quanity and for the minimum charge allowed by the Railroad Commission. The report further stated that it would be necessary for the town to buy the present system before the commission would allow the Spring Valley to sell its product to the town of Redwood City. This report of Mr. Kahn's occasioned much discussion and it was decided that a delegation from the club should go to the town meeting Monday night to urge the purchase of the present system so that Spring Valley water might be obtained.

C. L. Dimmitt, city engineer, then talked upon both the water and street situation and gave some very interesting information concerning municipal affairs.

Mrs. Ira Kahn reported that she had taken up the matter of tree planting with Mr. McLaren of the Golden ate Park, San Francisco, and had the promise of Mr. McLaren that he would assist in any way in the beautification of our streets. Mrs. Kahn also reported that she had talked with Southern Pacific officials and had the promise of the company that parking space would be provided for the patrons near the depot.

C. C. Cassingham, secretary of the organization, was requested to tell of his visit to S. P. officials and stated that the chief engineer had told him that the immediate plans of the company call for the laying of two additional tracks down the peninsula to take care of the rapidly increasing business.

Roy W. Cloud was asked to talk about the coming tax election for the completion of the high school. President M. F. Hughes in the closing talk of the evening reported that tentative plans have been formulated for the formation of an assessment district in the Highlands section for the purchase of a playground for the children.

The meeting was then adjourned.

Editor's Note.—It is too bad that the people of Redwood City in general do not take more interest in the Progress Club. It is non sectional and has for its object the advancement of our city. The members have done a great deal of hard work and much consistent thinking and it is evident from the earnestness of the committees that some fine things will come from the club.

A WORTHY YOUNG MAN

Last Saturday's issue of the Times Gazette chronicled the return of Robert Murray from New York. Mr. Murray left home two and a half years ago at the close of his freshman year at Stanford. He was a student in Foreign Commerce and wished to attend the University of New York which has a high rank in that subject. He went to New York and enrolled in that institution and for two years took all of the course and carried on a private position at the same time. He was employed as a clerk in a big Wall Street establishment and also in an exporting and importing concern. He visited all of the points of interest in the east and has come home to take his last year at Stanford. On his return home he came by way of the Panama Canal and expects at the completion of this year's course to take a post graduate course at the University of Washington. Mr. Murray is making his own way as he goes and is a good business man as well as a good student.

SOUTH SAN FRANCISCO HAS NEW BANK

A new banking institution, the Citizens' National Bank, has opened its doors for business in South San Francisco. The capital stock, amounting to $50,000, was fully subscribed to by citizens of that town.

NEWSY NOTES OF REDWOOD CITY AND ITS ENVIRONS

B. A. Griffith, a well known citizen of Halfmoon Bay and one of the oldest inhabitants of that place was in Redwood City Thursday visiting friends. Mr. Griffith lately published a history of the coastside in a Half Moon Bay paper which was both interesting and instructive.

Mr. M. M. Johnson returned home Wednesday after a two weeks' visit with his sos in Petaluma.

Mr. and Mrs. George Gunther and daughter, Frances, returned Monday from a two weeks' visit in Los Angeles. On their return they came by way of Bakersfield and visited their daughter and son-in-law, Mr. and Mrs. Will Booz.

The Pratt-Low Canning Company will begin operations next Wednesday and expect to put on a big working force to take care of the season's run. Mr Klee, the manager, states that everything is in readiness for one of the most successful years the company has had.

Robert Classen, chief engineer in the county surveyor's office, is building a home on Arch street, Redwood Highlands. Mr. Classen has resided in Daly City for some years, but desires to be closer to his work.

Rev. W. A. M. Teel is here from Fresno visiting his son, Leo Teel, proprietor of the garage across the street from the Times-Gazette office.

Captain E. Parsons who owns a home in Oak Knoll Manor west of town has recovered from his recent illness and has left the San Franrisco hospital where he has been for the past two weeks. He is expected home within a few days.

Dr. and Mrs. R. R. Bullock returned to their home in San Francisco after having spent two weeks at their place on Hopkins avenue, Redwood Highlands.

Mrs. Sylvania Rice of Sioux City, Iowa, and her granddaughter, Miss Vesta Taylor also of Sioux City, left Tuesday after a pleasant visit of a month with Mrs. Rice's son, T. C. Rice. They went to Long Beach where Mrs Rice will spend the winter with her daughter, Mrs. George W. Pangburn. Miss Taylor will leave in a few weeks for Nebraska where she wil begin her work as a high school teacher.

Joseph Henning is here from Los Angeles spending a few weeks as the guest of Mr. and Mrs. Earl Eikerenkotter.

Mrs. May Snow, a former resident of Redwood City, is the guest of Mrs. Fannie Lovie this week. Mrs. Snow resides in San Francisco, but is always glad to call on her old Redwood City friends.

Dr. Norman MacKenzie returned Monday from a visit to Los Angeles. Mrs. MacKenzie and the young son of the family, who accompanied him, remained in the south to visit Mrs. MacKenzie's brother and family.

M. H. Brown, former chief of the motor cycle police squad of San Mateo county, but now with the State Motor Vehicle department was a local visitor Tuesday.

Adolph Knecht of Lodi spent several days this week visiting at the home of his friend, Ward Tucker on Franklin street.

Mrs. Annie Robinson of Arguella street is reported as being seriously ill.

Miss Ruth Whitehead is enjoying a visit of a couple of weeks with relatives and friends in Los Angeles.

Last Friday was a happy day in the life of little Miss Wilma Pfaffin, it being her second birthday. Her mother, Mrs. W. H. Pfaffin invited a number of friends of the little lady to enjoy a party with her and they all joyfully responded. Games were played and refreshments were served which helped to make a wonderfully pleasant afternoon.

A marriage license was issued in San Francisco Wednesday to Charlie Owen, 23, and Camelia Santos, 18, both of Redwood City.

Miss Laura Barton, librarian at the local Carnegie Library, is taking her regular annual vacation. During Miss Barton's absence, Miss Clara M. Shelley is in charge.

Rev. C. L. Peck says that he is glad to be known as the "marrying parson," for making hearts glad is of good service, and while he has followed in the footsteps of his predecessors at the M. E. church by having cards printed guiding people, who may be looking for the Methodist pastor, to his parsonage, he feels that giving him credit for the idea is too complimentary, and while he likes to be considered up-to-date, he will have to say that the ones giving him credit are behind the times.

Joe Roza, local police officer, left Thursday for an extended trip to Southern California. He will be gone for about ten days.

Dana Smith and Carl Zeh, local high school boys are leaving tonight on a trip to Alaska. They will sail from San Francisco, and expect to spend three weeks in Alaska visiting points of interest and on their return home will stop at various ports of the Pacific Coast.

Miss Eileen Quinn who has been away from her place in the county recorder's office for the past three months on account of illness and who has been at Santa Cruz, has returned home. Miss Quinn expects to return to her county position next month.

Miss Mura Stillson returned from Pacific Grove Monday after a very pleasant outing with the Y. W. C. A. She then left on Tuesday for Sunnyvale to spend the remainder of her vacation with her grandmother, Mrs. Choate.

Miss Marjorie Young, stenographer in the district attorney's office, and her sister, Mrs. Edna Clayton, assistant county recorder, will leave today for Yosemite Valley for a two weeks' stay.

Rev. C. H. Stevens is here from Lodi to spend part of the summer. He will remain here this week and will then go with his son, Arthur, to Pacific Grove for a short time. He will then return to Rewood City for the remained of his vacation.

MAKE HIM USE THEM

Henry Ayer, a member of the board of supervisors of Santa Clara county, is quoted as being against the construction of a second highway down the peninsula. He says that there isn't any need of such a road. Mr. Ayre should be compelled to drive a car over the road from Burlingame to San Francisco for three successive Sunday evenings. If he didn't change his mind then we would be willing to give up guessing what some people can think. Mr. Ayre says that they could use the Los Altos road more than they do.

He is further reported as saying that the Santa Clara supervisors will not improve the Middlefield road in Santa Clara county. We hope this is not a fact. Santa Clara cannot afford to let an opportunity such as this slip. They might not need the roads, but San Francisco and San Mateo counties do and we don't think anyone in Santa Clara county has any right to object if San Francisco wants to build a highway for her citizens in San Mateo county.

BURGLAR HELD TO ANSWER

George Turner, the 20-year-old youth captured last week while robbing a house in Hillsborough, has been held by Judge Griffin to appear before the Superior Court for second degree burglary. The young man has admitted frequent robberies but says that he always entered homes in the daytime as he figured his sentences would be lighter if caught as burglary in the daytime is rated as a second degree offense, while burglary in the night time is classed as a first degree crime.

TO EXCLUDE TERRITORY

A petition was circulated in Redwood City this week and received number of signatures, namely 125, asking that a narrow strip of territory formerly added to the municipality of Redwood City shall be excluded from the limits of the town.

The land in question is a strip out to and including a piece of land on the bay shore which was a right of way and the place where the concrete ship, the Faith, was constructed some years ago. The matter will be brought to the town trustees for action at the next meeting.

It might be interesting for some to know that the Faith was the first re-inforced concrete vessel ever built in America. The construction and manner of launching were watched by builders from all over the world and the ceremony of launching was almost a nine-day wonder. Eastern shipbuilders came to see the ceremony and thousands came from San Francisco. The day was a public holiday in Redwood City as concrete shipbuilding was to become a wonderful industry.

The Faith went off the ways according to schedule and for a time her performance was good, but the plan of re-inforced concrete vessels was abondoned, at least locally, and now there is no use of the site. It is said that a big concrete plant may build on the place and does not want to be within the confines of a municipality.

A GOOD WEEK

The past week has been one of the best we have known in Rewood City for a long time. There has not been a death to record or a fire to mar the even tenor of our way.

TO OBSERVE FALL OF THE BASTILE AT BONZAGNI'S

The notable French holiday, the Fall of the Bastile, commemorating the storming of the famous Parisian prison by the enraged French revolutionists, and the releasing of their fellow citizens from the confines of the prison walls is to be celebrated as usual at Bonzagni's new lodge at La Honda. No where in this section of the state is this occasion more fully observed, and during the past years Mr. Bonzagni has had the privilege of entertaining people from all over the countryside on account of this holiday.

Since last observing this occasion, Mr. Bonagni has had the misfortune of losing his buildings through fire, which occurred early last fall. Since then he has rebuilt his popular resort on a larger and more elaborate scale, and people who go to La Honda this evening are assured by him that they will enjoy the occasion.

IT WAS A CASE OF CASH FIRST

Dave Moore of the court house staff is about as an accomodating fellow as you will ever find. Accordingly Monday night when a young couple came to him and wanted to get a marriage license, David put on his running shoes and in record time had a deputy clerk on the scene.

Just about the time that her pen was all dipped and ready for action the prospective groom asked if a check would be accepted. He was told that it would not be taken unless he had some one to identify him. He had no one and so went on a still hunt for someone who was willing to cash a check for a fellow who wanted to get married. He was out of luck or in luck just as your mind runs on the subject for he could find no one who would venture a few dollars for check. So disheartned, he and the young lady dug up enough real mazuma to pay for a ride on a rapid transit bus and they went back to the place from whence they came.

We don't know whether there is any sequel to this story, but so far as this paper is concerned the story endeth there.

A FITTING MEMORIAL

The act of a pioneer family of Humboldt county, California, in deeding to the State a valuable tract of primeval Redwood forest to stand as a memorial to Humboldt county's pioneers is indeed appropriate. Mrs. Zipporah Russ, who herself crossed the plains in 1853, has given 166 acres of wonderful timber land on the state highway near Orick, California, in memory of her husband, Joseph Russ a pioneer of 1852, and also as a memorial to all the pioneers of Humboldt county. The grove will be known as the Humbodt County Pioneer Memorial and will be dedicated to use as a public park.

These giant trees, the Sequoia sempervirens or redwoods, were ages old when California's first pioneers arrived. They had for centuries been objects of reverence and wonder among the Indians who inhabited these shores. Some of the very trees now standing in the Russ Pioneer Memorial Grove were practically as they are today in size and girth when Coumbus discovered America, and when Sir Francis Drake sighted the shores of California. Some of these trees were saplings at the time of the birth of Christ.

The gift of this grove comes as the result of the work of the Save the Redwoods League which for several years past has been active in securing through state, county, and private aid the preservation of an adequate tract of our primeval redwood forest, one of the unique and priceless possessions of California. It is to be hoped that the example set by this pioneer memorial will be followed in the establishment of many such public redwood groves.

DRIVE FOR SCOUT FUNDS EXTENDED TO JULY 17

The drive for funds, being conducted by the local troop of the Boy Scouts of America, had yesterday reached a total of $850.00 subscribed. The campaign has been extended to Tuesday, July 17th. Manager Frank Thompson stated that those desiring to donate or make additional donations toward the upkeep of the local troop could make payment at either of the local banks or to him at the shaving parlors on Broadway.

Tre Scouts have transformed their quarters on Pennsylvania avenue to the appearance of a respectable club house from an old delapitated shack. At present fifteen scouts are sojourning there under the supervision of Scoutmaster Mullen.

LESTER BOYYER MARRIED

Lester E Boyyer, grandson of Mrs. John Kearse of this city, and Miss Naomi Fahy of San Francisco, were united in marriage at St. Mary's be Cathedral, San Francisco, July 2, and the young couple will make their home in Burlingame.

Mrs. Boyyer is a musician of note and has been a pupil of Mansfeldts. The groom is well known here and is highly respected.

SOUTHERN PACIFIC ADDS THREE MORE TRAINS THIS WEEK

Three new trains were this week added to the Southern Pacific run down the peninsula, making a total of twenty-five trains daily between San Francisco and peninsula points.

On July 14, 1878 the Gazette chronicled the fact that 5 trains daily were passing through Redwood City, as that week the S. P. Company had added two new trains to its service on the coast line.

Today comes the announcement from the Southern Pacific Company that plans are perfected for laying two additional tracks and electrifying the road down the peninsula, which will be another step by the railroad company in helping to build up and maintain the growth of this section of California.

To comply with many requests two new midday trains were added Monday between San Francisco and Mayfield, leaving San Francisco at 10 a. m. and 2:10 p. m., and returning from Mayfield at 12:38 and 8:58 p. m. Another new train, to be operated daily, except Saturday and Sunday, will leave San Francisco, Third street, at 5:25 and leave Mayfield at 6:40 p m.

For the convenience of commuters connected with the industries near Twenty-third street, Fourteenth avenue and South San Francisco, train No. 46, which heretofore has left Third street station at 5:05 p. m., will leave at 4:50 p. m. for Redwood City instead of San Jose; it has been put ahead so that trains following at 5:03, 5:15 and 5:20 p. m. may make their schedule instead of being retarded as in the past.

BRISBANE SIZES UP THE SITUATION CORRECTLY

Arthur Brisbane, the cleverest writer in the country, in the Examiner of Wednesday casts the following beautiful bouquet to California, for which we all thank him. Considering that this brief item appearer in all of the Hearst's publications throughout the country on that day imagine what a benefit will accrue to the state in such advertising:

"In America things change rapidly. There are now in this country 13,048,128 registered automobiles. In California, that earthly heaven to which many of the wise, good and prosperous go before they die, there is one automobile for every four persons.

His prognostications usually come through He has an intuitive instinct in getting the inside in politics. He is a graduate of Stanford and during his college days edited the campus paper. He is a nephew of L. P. Behrens, president of the First National Bank of this city.

WILL ENLARGE COUNTY LIBRARY

Donald MacKenzie, the county mechanic, is engaged in enlarging the quarters of the county library. He is cutting through the concrete walls which separate the library from the storage room of the sheriff's office in the basement of the courthouse and will put in shelves for the books which are piled all over the present cramped quartrs presided over by Miss Holroid.

BUS COMPANY SUED FOR $10,250 DAMAGES

Mrs. Enrica Vanni, 22 years old, Wednesday filed suit for $10,250 against the Peninsula Rapid Transit Company for injuries she says she incurred in an automobile and bus collision. She alleges that, due to the carelessness of the driver of the bus, owned by the defendant company, she was seriously injured about the face and body.

FORMERLY RESIDED HERE

Miss Frances Storrer Bonte passaway at Santa Cruz last Thursday. Miss Bonte was the daughter of the late Dr. J. H. C. Bonte who was for a time pastor of St. Peter's Episcopal church here in the 70's and who went from Redwood City to become recorder of the faculty at the University of California. Miss Bonte was one of the belles of Redwood City during her residence here.

POPULAR YOUNG COUPLE MARRIED HERE SUNDAY

Sunday, July 8, 1923 John R. Isaac and Miss Claire Locker were quietly married at the Methodist church by Rev. Clayton L. Peck. Only the immediate relatives of the two families were present at the wedding. The bride was attended by her sister, Miss Eva Locker, while Wesley Locker, brother of the bride, was the groom's attendant.

The happy young couple are now enjoying a honeymoon in southern California, and upon their return will be at home in a very attractive new bungalow on Arch street, this city.

The bride is a popular young lady of this city, eldest daughter of Mr. and Mrs. Charles Locker of 806 Main street. She is a graduate of the Sequoia Union High School, the San Jose Teachers' College, and has been teaching in the local city schools for the past year.

Mr. John Isaac is the son of Mrs. Edith Isaac of 165 Arch street, and of the late John R. Isaac, well-known journalist and horticulturist of California. The young man is editor of the Times-Gazette, energetic, popular and holds an enviable reputation in this community where he has grown to manhood.

The Times-Gazette force join their many friends in wishing them bon-voyage.

BANK OF ITALY ANNEXES TWO MORE BRANCHES

Purchase of the American Savings Bank and the Golden State Bank, both of Long Beach, with combined resources of approximately $3,000,000, was announced today by A. P. Giannini, president of the Bank of Italy. Negotiations in the case of both institutions were handl ed personally by Giannini, through the Stockholders Auxiliary Corporation, an affiliation of the Bank of Italy.

It is the intention of the Bank of Italy, when the necessary authorization has been granted by the State Banking Department and the Federal Reserve Bank to conduct both of the Long Beach banks as branches. Upon their conversion, these institutions will become important units in the Bank of Italy's Southern California organization.

No plans have been announced as to the management of these new banks, although it is the policy of the Bank of Italy to make no changes in the personnel of institutions acquired. Both of the Long Beach banks have been well managed and although they are comparatively new institutions, have experienced rapid growth since the date of their organization.

Upon the conversion of these banks the Bank of Italy will have 72 branches in 49 cities.

FAMOUS COLORED JAZZISTS TO PLAY HERE JULY 21

New Onleans Jazz Band ,the organization that has filled hundreds of phonograph records with the tunes that tickle the feet of a nation, and which has furnished music for the famous Ziegfield Follies in New York will play for the grand ball to be given at Foresters' hall Saturday evening, July 21. The musicians, 9 colored artists, every one a master of his instrument with Wade Whaley (himself) famous clarinetist, composer of "Tin Roof Blues," "Weary Blues" and "Tiger Rag." Dance and hear these phonograph stars play their own compositions. Dancing from 8 o'clock until an early hour next morning.

BRITTON WILL FILED

The will of the late John A. Britton was filed for probate in San Francisco last Saturday. Mr. Britton left half of the estate to his wife and the other half in equal shares to his five children. In the event Mrs. Britton does not desire to take her half, a trust fund must be formed to pay her $200 a month for life.

At the conclusion of the trust, the estate is to go to the sons and daughters.

The amount of the estate is not stated, but it exceeds $10,000.

SANTA CARA COUNTY WILL IMPROVE ROAD

The board of supervisors of Santa Clara county on Monday let a contract for the paving o Mayfield avenue which will connect the State Highway at Mayfield with Stanford University. The cost of the construction is $14,910.

THE FALL OF THE BASTILE

Our neighbors over in France are celebrating the One Big Day of their year today. The Fall of the Bastile is to a Frenchman what the Fourth of July is to an American. Frenchmen here in America are keeping the day as Americans in France made merry last week. These days keep the thought of the homeland very close to the heart of everyone. We are all of us patriotic and we each one of us feel a thrill of delight when we think of our country. A Frenchman who has become an American citizen is a better American because he harks to the joys of his boyhood and shouts his "head off" for La Belle France. Therefore we are glad that our French neighbors at home and abroad are having a big time today.

THE VALOR OF IGNORANCE

How some people do delight to slander the United States. For instance, a woman speaking at the recent conference on social work, declared that the United States is the only civilized government in the world which does nothing to assist its people to secure homes. But she hails fro ma state along the Atlantic seaboard and never saw one of the hundreds of thousands of homesteads the government gave to its citizens a few years ago, and is still giving. Fifty years ago most of the region west of the Mississippi was a broad expansion of prairie inhabited by coyotes and wolves. Today it is the granary of the nation. Uncle Sam, homebuilder, made it so by "doing everything to focilitate home ownership." The wonder is that the lady who spoke at the social work conference would even admit that this is a civilized nation.

FIRE

Personally we believe we have one of the very best fire departments in California. We have been asked to make some comment upon the speed which the fire truck turns corners when going to fires. We must really confess that we do not know whether any comment is necessary upon this point, but if it is we are willing to give it

It is exceedingly dangerous for fire trucks or any other kinds of vehicles to turn corners too fast. It not only takes fro mthe life of the machine, but it also endangers the life of the ones riding on the truck and also puts people who may be traveling in the neighborhood in jeopardy.

The big machine used in Redwood City is a costly piece of apparatus. It is a very heavy piece of machinery. If it should hit another machine on a corner, we should feel sorry for the other machine. A minute or two in the life of a grass fire wouldn't mean much to the grass, but it might mean a good deal to the tax payers and residents of Redwood City.

THE N. E. A.

The National Education Association which finished its meetings in San Francisco last week was one of the most successful gatherings of educators ever held. One of the things which grew out of the meeting was the formation of a world-wide organization which hopes to secure peace through education.

We believe the organizers of this society are on the right tract. It doesn't seem possible that men who will sit around a table and plan a program of education for their boys and girls will go home and plan a campaign of slaughter of the big brothers of those boys and girls.

An organization of this kind should also promote a friendly feeling among nations. It also demonstrates the universality of our language, for on Thursday night, the president of Stanford University, an American; the president of the Japanese Teachers' Union, a Japanese; Princess Borghesa, an Italian; the representatives of the teachers of England and Wales, an Englishman; also a Chinaman and a Hindu, all stood upon the same platform and addressed the audience in fluent and finely chosen English. This of itself would lead a thinking man or woman to know that education is tool with which we should fashion our world peace.

OUR TREES

The committee appointed by the supervisors met with Mr. Peterson who owns the tract known as Camp Eden near Pescadero last Saturday and discussed the possible purchase of the property by the county. Mr. Peterson asked a price which the committee considered too high. The committee visited the tract which consists of 312 acres of virgin redwoods, Wednesday, and discussed the matter further with Mr. Peterson. We hope that they will recommend the purchase of the property this afternoon at the adjourned meeting in the supervisors chambers. We need our redwoods. Not only from a sentimental reason do we need them, but we must have them to preserve our streams. We want them so that posterity may enjoy them. There isnt anything more beautiful than a tree. Joyce Kilmer, the young poet who gave his life as a sacrifice for freedom in the late war, said the following about trees:

I think that I shall never see
A poem lovely as a tree—

A tree whose hungry mouth is prest
Against the earth's sweet flowing breast;

A tree that looks to God all day
And lifts her leafy arms to pray;

A tree that may in sumer wear
A nest of robins in her hair;

Upon whose bosom snow has lain
Who intimately lives with rain.

Poems are made by fools like me,
But only God can make a tree.

HISTORY OF SAN MATEO COUNTY; THE FERTILE COASTSIDE

(Continued from last week)

In one of the finest agricultural districts of San Mateo county, or of the State of aCllifornia even, located upon what was formerly one of the largest and prettiest streams of the county, is a village of five or six hundred population, that more than any other in the county has the air of ante-American times about it, commonly called Spanish-town. At this point, unlike many others on the coast, the mountains have not crowded the vallies into the sea, and a highly fertile plain of severa thousand acres stretches around the shores of a bay that, on account of its configuration has long been known as Half Moon Bay. Through this plain the Pilarcitos creek, before its sources were tapped by the Spring Valley Water Co., poured a considerable volume of water, which together with the unequaled pasture lands through which it ran, became sought after by the native families, whose establishment in this vicinity was the occasion of the name of Spanish Town.

Although the days of prosperity and power of the Spanish-Mexican families have long since departed, some of the first settlers and numerous descendant still cling to the bautiful valley, where their herds of cattle and bands of horses roamed at will, and where the rodeos and galadays brought festive caballeros from far and near. The Miramontez and Vasquez families, owing to their possessions were of most importance in this vicinity, and were located near each other on opposite banks of the Pilarcitos.

Here, too, in addition to the living representatives of a past and distinct period in the history of the county, are to be found about the only existing relics of in the county of those quaint adobe structures of the native families. No Spanish settlement amounting to the proportions of a town or village was made here before the American occupation of the country. San Francisco and the Mission Dolores were the only places to which the native families resorted for business or the rites of religion. Even those who by accident died here were carried to Mission Dolores for interment and not until 1857 had they consecrated ground at Half Moon Bay. An embarcadero or landing was kept for the very limited commerce of the valley and some grain was raised that found a market with the Russian traders.

As an American settlement, Spanish Town is of comparitively recent origin. Not until the early part of 1853 did foreign settlers begin to seek the coastside of the county for agricultural purposes. Of these G. R. Borden, B. F. Webb and Armstead Goadley constituting one party) came with teams over the as yet untracked mountains, and in the month of February 1853 located on the Rancho Canada de Verde. About the same time one of the Johnson Brothers (of whom there were four, James, Thomas, William and John) came and settled and was followed by the other three. This family introduced the eastern or domesticated cattle into this part of the country and began making good improvements and cultivating the soi.

EMPLOYMENT OF TRAFFIC OFFICERS UNDER MOTOR VEHICLE ACT

Boards of superivsors of the counties of the state are being mailed contracts by the division of Motor Vehicles, covering the employment of traffic officers as provided by the 1923 Motor Vehicle Act. The new law provides that upon the submission of a list of names from their respective counties the Chief of the Division of Motor Vehicles may make appointment. The officers so appointed in accordance with the Motor Vehicle Act are empowered to enforce all of its provisions. This portion of the law is effective August 31, 1923.

P. G. & E. TO EXTEND ITS SERVICE

Announcement is made that orders have been formally approved for the laying of gas mains from Mountain View to Sunnyvale. This extension will involve the laying of 12,700 feet of 8 inch welded pipe from the end of the present main at Mountain View, south along the highway to Murphy street, Sunnyvale. Also 8500 feet of 3 inch main and 30,500 feet of 2 inch main from which 376 service will be run to supply the applicants along the highway and in Sunnyvale.

The work will be completed as rapidly as possible so as to keep in advance of the extensive street paving program which is contemplated.

This new 8-inch line will add another link to the line connecting the Son Jose plant to the Pacific Gas and Electric Co. with the Potrero plant at San Francisco. When this new line is completed there will be left a gap of only approximately 10 miles to complete the tie-in between the two cities, San Francisco and San Jose.

The building of the Mountain View to Sunnyvale line will cost approximately $63,610.00.

IS CONDUCTING CAMPAIGN

Miss Oma Perry is conducting a subscription campaign for Sam Merk of the Burlingame Advance. Miss Perry put on a most successful campaign for the Times-Gazette which resulted in a large increase in the circulation of this paper. She is a tireless worker and thoroughly understands her business.

Mrs. Willard Coburn is here from her home in San Diego visiting her parents, Mr. and Mrs. Carl Muller.

SUPERVISORS HOLD ADJOURNED MEETING

The San Mateo County Board of Supervisors held an adjourned meeting last Saturday afternoon at which time the committee appointed by the board, consisting of Timothy Hopkins, Fred Lorton, W. J. Martin, Alvin Hatch and J. C. Williamson met with A. C. Peterson, owner of the redwood grove near Pescadero and discussed terms of purchase of the property as a public park.

Mr. Peterson asked $100,000 for the 312 acrees. The committee considered this price too high and a conference was arranged by the committee for Wednesday of this week whn the members were to meet Mr. Peterson on the property and after seeing it talk over a possible purchase price.

The committee will report at a special meeting of the board of supternoon in the supervisor's chamber.

MORE THAN A MILLION AUTOS

A car load of plates carrying the "Star" which is smymbolic of one million, was received from the factory of the Division of Motor Vehicles this week. It will only be a very short time until star plates will begin to appear upon the highways.

JUSTICE RAY GRIFFIN HELPS TREASURY

Justice of the Peace Ray Griffin is not only a marrying judge, but he may also be classed as a good persuader against speeding He had a number of offenders before him Tuesday who helped replenish the county treasury in a very nice manner

Two bus drivers were nicked for $5 and $10 fares for letting their pedal foot slip and a number of gentlemen from various sections of the state reluctantly parted with some of their easy-earned money because of similar indiscretions. D. W. Howard of San Francisco was sentenced to two days in jail for cutting-in, but was given a suspended sentence. M. Osorio of this city who delights to cavort about the highways in an exceedingly unbecoming manner on a motor cycle lost the right to operate any kind of a machine on the public highways for three months, except that he may ride to and from his work in Palo Alto each day. If he uses a machine or motorcycle during that period, however, he will have a jail sentence staring him in the face.

The arrests were made by the State Motor Vehicle department and are the first made for some time in this section.

Why let a LOW PRICE keep you from using the BEST?
Thousands of tests in our laboratories and on the road have shown conclusively that Zerolene, which is made from carefully selected Western Naphthenic Base Crude, transported in separate pipe lines to our refineries and then refined by our exclusive high-vacuum process, forms less carbon, gives greater gasoline mileage, and reduces friction and wear to a greater extent than any other automobile lubricant we have seen and tested or been able to produce.
Therefore we say, "Insist on Zerolene—even if it does cost less."

HORTICUTURAL COMMISSIONER BUSY

Horticultural Commissioner A. W. Tate is just now engaged in a very interesting bit of business. It was found that a parasite called the Psaudococcus gahani which is more familiarly known as the Citrophilus mealybug has been causing a bad infestation in the sevillea and locust trees of this locality.

Mr. Tate took up the matter with the State Biological deparment and the Whittier Experimental Station sent him a number of Cryptolaenus montrouzieri which belong to the ladybug family and which it is believed will eradicate the pest

The mailybus are very small fellows which breed on the limbs and foliage of trees and cause white blotches to form on the branches The blotches which resemble mold cause the limbs and leaves to dry and shrivel and while the mealybug does not kill the plant life they do considerable damage.

The ladybug is very small but is an exceedingly fast breede, is a canibal and lives on the mealybug. It is absolutely hamless and should prove of great value to this section.

In order that the ladybug may get a good start, several trees in the town park on Main street just west of the S. P. right of way have been prepared for their convenience.

The Argentine ant is an enemy of the ladybug, so precautions have been taken to free the trees of ants. As they are too large to spray, a mirture of corksawdust, carboilc acid and nicotine has been spread around the base of the trees which wil act as an ant repellant.

On Thursday a number of ladybugs were liberated and they have already a number of good meals of the mealybugs. As fast as they clear one tree they are expected to earn their living by going to a neighboring tree which needs their attention.

Mr. Tate has secured an extra number of Psaudococcus gahani and will breed a supply so that he may send them when needed to gardeners and fruit men in the county. San Mateo county is exceedingly fortunate in having a horticultural commissioner like Mr. Tate who not only thoroughly understands his business but is always willing to help those who have plant or tree difficulties.

SOUTH SAN FRANCISCO HAS HER TROUBLES

There is much agitation in South San Francisco just now as to who is responible for the prohibition raids conducted by the Andrew J. Kane detective agency of San Francisco.

The trustees of South San Fransico have been making a determined effort to rid the city of bootlegging. Accordingly the San Francisco detectives were called to town. Raids were made and Police Judge Walker gave fines that were heavy enough to cause law breakers to have heart disease.

Constable Jas. Wallace decided that the raiders had no legal right to come into his territory. He accordingly deputized a number of citizens and broke up a raiding party last Saturday night. There was a good free for all fight during the process of stopping the raid and Constable Wallace arrested all of the detectives. They were taken before Justice of the Peace Farrell of the First township, but he was disqualified and Judge Ray Griffin was called to preside. Judge Griffin set the proceeedings for yesterday afternoon and the hearing is still in process.

To further complicate matters E. E. Cunningham, a tax-payer and former justice of the city has retained J. J. Bullock to bring action to determine what right the city trustees had in employing outside talent to make their arrests.

WIFE CHARGES MATE MADE DEATH THREAT

Alleging that Adolph C. Keefer, furrier of San Francisco, residing on Whipple avenue, Redwood City, "hit her on the nose and threatened to kill her," Mrs. Katherine Keefer Monday filed suit in the Superior Court of San Francisco for separate maintenance.

Through her attorneys, Dolier, Kimball & Dozier, she asks for $150 a month maintenance and a half interest in the community property, consisting of stocks, real estate, furniture and an automobile.

AN INTERESTING BOOK

The Standard Oil Company of California has just put out an exceptionall interesting book called the "Standard Oil Spirit." It is a discussion of the relationship between the personnel and management of the Standard Oil Company of California.

It is profusely illustrated and gives interesting information concerning the service of the company and the activity of the employees. It sets forth in detail what the company does for its men and its patrons and gives a resume of what the company expects in return. It is an interesting economic piece of work and should be of value to students of present day problems and to employers who desire to get the most for the money they pay for wages.

BAPTIST CHURCH

News From Woodside

Miss Marjorie Josselyn entertained at a picnic at the Josselyn place at Woodside on Tuesday. The guests were invited to a picnic luncheon served under the trees and later they played mah-jongg on tables arranged on the lawn.

Among the guests were Mrs. Herbert Allen, Mrs. Daniel C. Jackling, Mrs. William Roth, Mrs. Charles R. McCormick, Mrs. Augustus Taylor, Mrs. Stewart Lowery, Mrs. Gerald Rathbone, Mrs. Evan Williams, Mrs. William Duncan and Mrs. Herbert Fleishhacker.

Mr. and Mrs. Wm. Roth were dinner guests of the Charles McCormicks of Menlo Park on Monday evening.

The Misses May and Clara Huddart had about forty of the ladies connected with the Woodside Congregational Church and Sunday school as guests on Tuesday afternoon between 2 and 5 p m. for tea. The guest of honor being Mrs. Mahon of Tennessee. Mrs. Mahon has come to stay for some time among us. She is the sister of the late Mrs. St. John, so much beloved by all who knew her. Mrs. Mahon has the same charming personality and gracious manner. Many games were played. The prizes were carried off by Mrs. A. H. Audiffred and Miss Jackson.

Miss Jackson and her father, M. F. Jackson, have come up from Los Angeles to summer at their beautiful place here. Miss Jackson who has been teaching in the south for some years returns there in September with her father and they plan to build a home in Los Angeles. We trust they will always keep their beautiful home here.

The Arthur Hoopers are summering in their lovely Woodside home and entertaining their many friends from San Francisco over the week end.

Mr. and Mrs. Blackington of the Folger place, on their camping tour of the southland, had quite an experience at San Miguel, which we are thankful to say did not result in serious injury. Three boys coming along the open highway ran into them and turned their car completely over. Mrs. Blackington was unconscious for a time but they both escaped with bruises and neither was seriously injured. The boys came back, a rare thing for motorists to do these days. The father of one of the boys is a wealthy rancher of San Miguel. He made his son purchase a new sedan for the Blackingtons. After about four days' delay, they proceeded on their journey south. Such experiences make one feel that home is the best place.

The Woodside school was to begin its session on July 23rd but the trustees have decided to extend the vacation two weeks longer. School, opening August 6th, the children will be happy but we fear most of the mothers will not be so jubilant.

Mr. and Mrs. Fred H. Mighall are on a vacation trip north. They reached Eureka and in letters to friends state that the scenery is wonderful.

Mr. John D. Gish, principal of the Woodside school, is enjoying two weeks' visit with his parents is Los Angeles. He is expected home early next week.

Runnymede Happenings

The Dancing Club dance Wednesday evening was a most enjoyable acair and on next Wednesday evening the 18th, the Runnymede 49'ers will have an old fashioned dance in the school auditorium on Donahue street. A San Francisco orchestra will furnish the music and an invitation is extended to those enjoying old-fashioned dances.

E. A. Kirk, secretary of the Oroville Chamber of Commerce, accompanied by Mrs. Kirk spent a couple of days with Mr. and Mrs. C. N. Strawn last week.

Mrs. Claude Ford is enjoying a motor trip with relatives to Los Angeles.

Miss Olive Matson of Chicago who has been attending the National Education Association and is since touring California, spent a few days with Mr. and Mrs. A C. Matteson, old Chicago friends. Miss Matson is a high school teacher in that city.

Mr. and Mrs. E. J. Pierce and daughter, Helen of Williows, spent a few days with Mr. and Mrs. W. A. McElhattan this week. Their niece, Miss Beulah Suhl, is a guest at their home this week.

Mr. and Mrs Alfred Gravestock were San Francisco visitors Sunday.

T. H. Arstrong and the Stranskys may now be reached by telephone.

There is quite an epidemic of measles in Runnymede at present, but the cases are light.

Mrs. Elmer Bartlett spent a couple of days in San Francisco the first of the week.

Mr. and Mrs. Grant of Oakland and Mr. and Mrs. Sansisberry of Salt Lake City are visiting at the T. Duke home.

Miss Harriet Muzzy has joined her brother in Southern California and has rented her place to Mr and Mrs. Cookson.

Mr. and Mrs. A. A. Whitman and the latter's parents, Mr. and Mrs. Fisher, all of Chicago, old friends of the Slingers, were guests at there home Saturday. They plan to make their home in San Francisco.

A BEAUTIFUL COUNTRY

The following was clipped from the Call of last Saturday. It shows that the writer knows what really beautiful country is:

"It is not in some imagined country, dreamed about in a poet's fancy, where winding driveways pass between flowers and palms and beneath spreading live oak trees, but right down the peninsula, at Menlo Park and Atherton, where there are some of the most beautiful country homes to be found in America. Then, too, there is the Menlo Park Country Club, which nestles beneath the trees a little off the road, with a vista beyound of the rolling hills and the golf links in the foreground."

There is no section of California more beautiful than that in the neighborhood of Redwood City.

FOOT AMPUTATED

Max Siegel, the well-known fruit merchant, underwent an operation at the Huling hospital last Saturday for the amputation of his left foot.

Mr. Siegel stood the ordeal well and will soon be about again. The operation was necessary because of blood-poison superinduced by gout.

News of Belmont

Miss Margaret Fisher returned home today after spending a week in Yosemite.

Mr. and Mrs. Paul O'Brien motored down from San Rafael to spend the week end with Mr. O'Brien's mother, Mrs. J. J. O'Brien.

Everyone will be glad to learn that Mrs. McArdell has recovered from her illness and is up and around again.

Mrs. Thomas Moran visited with her mother, Mrs. . Barr, in San Francisco Wednesday.

Mrs. Hastings left Wednesday for Sunnyvale where she will spend a week or more on her sister's ranch.

Miss Helen Switzer of San Francisco returned home Wednesday after spending a week as the guest of Miss Madeline Heinicke.

Mr. and Mrs. J. J. O'Brien and family leave today on a special excursion trip to the Yosemite.

Mrs. Lawrence Yeater and daughter, Claire, were the week-end guests of Mrs. Fred Johnson. Mrs. Yeater, who formerly resided in Belmont, is now living in Berkeley.

Mr. and Mrs. Paul Miller and family visited friends in San Francisco Monday.

Mr. L. A. Barrett left Thursday for Lassen Butte, where he will resume his duties as forester.

Miss Florence Cummings left Monday for Santa Barbara, where she will visit with reatives for two or three weeks.

Miss Eains Blanchard and Miss Heen Becker have been appointed as teachers for the Belmont grammar school for the coming year. Miss Blanchard will teach the primary grades, while Miss Becker will have charge of the upper grades. Miss Blanchard is a graduate of the San Jose Teachers' College, and taught the Pomponio school last year. Miss Becker, a graduate of Stanford University taught in the Hawaiian Islands for a number of years.

Miss Elizabeth Rowell left Wednesday on the steamer, Venzuela on a long-anticipated trip to the east. She will go through the Panama Canal, seeing all points of interest along the way, and after a stay of several months in the east, will return home by way of the Canadian Rockies.

Two cottages, owned by Joe Belloti, were badly damaged by fire Wednesday evening. In the morning the cottages owned by Mr. John Wells and Mr. Horace Hanely, situated at Beresford, were burned to the ground.

FRANK TANNERY NOTES

A Hess, the local contractor is rocking the roads about the tannery property and making them serviceable for winter use.

The bark season has begun and the year's supply of tan bark is now being received. Instead of getting it by boat as has been the custom in past years the bark is now being sent by train from Mendocino county.

T. Eldred, while loading a car with the cargo which came by boat to the tannery last Friday, fell from the sling which he was operating and secured some very painful bruises, but no broken bones. He was taken to the doctor who gave him first aid and he has since been confined to his home in San Jose.

Everywhere—Royal Cords

United States Tires are Good Tires

THE growing number of Royal Cord Clinchers you see on the roads gives an idea of how many car owners there are who want the best tire money can buy.

There weren't near enough Clincher Royals to go around last year.

This year—even with the production more than doubled—you can best be sure of them by taking them *at the moment.*

Cleaning Without Odor by the

F. Thomas *Process*

Our many years of experience has taught us that it is impossible to do perfect cleaning with cheap, inferior methods. That is why we found it necessary to invest nearly $500,000 in the equipment of a plant and the establishment of an expert organization to do the quality of work demanded by our customers.

With the "F. Thomas Process" we not only remove every particle of dust but we return your garments without that usual disagreeable smell of gasoline. Every drop of gasoline we use in cleaning is redistilled and very highly refined.

Raw gasoline—the kind that you buy for your automobile—is full of heavy oils and unfit for cleaning fabrics. It is little better than ordinary distillate and leaves a sickening "gasoline" smell in your clothes

NEWS OF MENLO PARK

E. M. Long, prominent real estate broker of Menlo Park left this week for San Diego and Los Angeles where he erpects to remain for about a month.

Mrs. William Stirling Porter, who has taken a charming house in Menlo Park this summer, enfertained at a delightful outdoor affair there Saturday afternoon. About thirty friends were asked to luncheon, which was served out of doors and was followed by bridge and mah jongg. The guests were seated at one large table on the terrace which was partially inclosed with awning. Masses of flowers gathered from the Porter gardens were used for table decoration.

Mr. John Breden, who recently arrived from Paris to pass the summer holidays with his mother, Mrs. Fredcrick W. McNear and Mr. McNear at their homê in Menlo Park, is at present visiting his aunt, Mrs. Leila Butler Stoddard, at her ranch, near Hollister. Mr. Breeden is taking a course in preparation for the Diplomatic Service at the Sorbonne University in Paris and at the end of his vacation wil return to Paris to continue his studies.

Denis A. Merz has rentel the cottage at Laurel avenue, Menlo Park, belonging to Mrs. A. W. Gale. He will occupy said residence the later part of this month. As soon as Mr. Merz is settled he will take a trip through the southern part of the state.

As the season advances the al fresco entertainments are more popular and almost every affair that is given down the peninsula has its setting out of doors. The new Menlo Park swimming pool at the country club, which opened a few days ago, promises to be very popular with swimming parties given both afternoons and evenings. This evening Mr. and Mrs. Williams will give a swimming party followed by an al fresco supper at which most of the summer colony of Menlo, Atherton and Woodside will be present.

The Colonel Ferndale home on Laurel avenue, better known as the Tobey place, was sold this week to Mr. Becker of Burlingame, an easterner who has lived is the state only a short time. He is to develop the beautiful property and make an ideal home. Colonel Fredendaal, who was here durisg the war at Camp Fremont, liked the place, but owing to his wife's illness had to move to a higher altitude. It is said the sum of $20,000 was paid for the property.

The Junior Circus held at the new circus ground for juvenile contenders last Sunday drew a large crowd. The competition among the youngsters was quite keen and at times exciting. The first prize was won by Evelyn Taylor and the second by Katherine Doyle. Both were presented trophies in the form of cups which were presented to the young ladies in a short but appropriate speech by Senator Shortridge. He took occasion to compiment the girls on their skillful riding and wonderful performance on the track.

Attorney Walter K. Linforth has returned from Bartlett Springs where he spent a month in search of health. He is much improved and is ready to resume his practice.

J. H. O'Keefe this week leased his entire block to several persons for various business enterprises. The corner store has been taken by a San Jose Grocerteria; the adjoining store by the Bear Gulch Water Company, which is to make it the headquarters for the transaction of the entire business of the concern, only a part of which has been done here. Three rooms will be transformed into attraffic offices. The company has taken a five year lease. Another part of the building has been rented by a San Jose baker who is to give the people of Menlo Park good service The structure formenly occupied by the shooting gallery has been taken by Edward Derry ror a feed store. It is rumored that more enterprises are about to start. Menlo Park is surely progressing.

Edward Derry, young son of Mr. and Mrs. Edward Derry, is recovering from an operation performed at the Palo Alto hospital last week for appendicitis. It was a very serious case and for a time the young man was in a critical condition. He is convalescent and will recover rapidly but he will have to remain in the hospital for four weeks.

Mrs. James Bruce has returned from Fresno where she was the guest of her daughter, Mrs. Manson, wife of Dr. Manson, a prominent physician of the Raisin City, for the past year.

J. H. Sullivan returned from a two weeks' vacation in Los Angeles yesterday. He went south to consummate a big ral estate deal. Mr. Sullivan is enthusiastic about the progressive spirit of the southern city.

Another butcher shop is about to be opened in Menlo Park. There are already two here, sufficient to supply all needs, but the more the merrier and as competition is the life of trade, the people may expect better steaks. Good steaks are rare.

The Menlo Park school trustees have granted Miss Bertha Kuck a year's leave of absence. She taught in the school last year and before that was the vice principal of the Las Lomitas school for many years. The vacancy has not yet been filled by the trustees but will be shortly. They have a large number of applicants for the position.

Palo Alto will be gives the opportunity to purchase the oak grove at the end of the University avenue car line according to plans made by the Ravenswood Chamber of Commefre at its regular meeting Monday evening. A committee of five was appointed to confer with the city officials of Palo Alto with a view to interesting them in the proposition. Those on the committee are: J. H. Stubbe chairman; J. E. Bishop, E. R. Tait, A. J. O'Meara and R. R. Waterbury.

It was also decided that the organization should write to the State Railroad Commission regarding the proposed discontinuance of the street car service on University avenue. In the absence of the president the meeting of the chamber was presided over by the vice-president, C. W. Converse. A. J. O'Meara, chairman of the athletic committee, reported that the Ravenswood baseball team had disorganized and that the Palo Alto community team had agreed to take over the uniforms and catcher's outfit, using the best of the players in its own squad.

The next meeting of the chamber of commerce will be held at the call of the chair. Unless important business is to come up it will not be called until after the berry rush.

The Native Daughters will give an old fashioned dance on July 25 in Native Sons' hall. The old are invited to come and mingle with the young in the dances that were so popular in the long ago. Nowithstanding the modern turkey trot and shimmy these old dances are still enjoyed. The dreamy waltz, lancers, quadrille, graceful Spanish waltz and other old time dances will be enjoyed that evening. Come and be merry, and trip the light fantastic as you did in days of yore.

An incorporation club is about to be organized in Menlo Park by the citizens who believe the time has come when such a move should be made for the betterment of the town. Meetings will be held frequently so that data may be prepared showing the benefits of incorporation without any extra expense to the taxpayers. Professor Cottrell, professor of esonomics of Stanford University and an expert on municipal law and procedure, is to advice the club on matters pertaining to incorporation. A meeting will be held at Stanford Park early next week to discuss the question. The people of that section are heartily in favor of the proposition as are the citizens of Menlo Oaks.

There are so many abuses occuring in Menlo Park that they have to be corrected and this can only be done by incorporation. This important question will be thoroughly discussed, debated and argued before it is submitted to the voters for final analysis. Be prepare to listen to arguments pro and con dispassionately, calmly and be prepared to go to the polls to cast your vote intelligently.

Mark J. Loughlin, the assistant station agent here, is ill and is in a San Francisco hospital. His place s being filled by Norman C. Stubbs.

The new time schedule of the Southers Pacific Company is effect last Sunday is meeting with the approval of all the committees. The four new trains put on make the service the best ever given by the company. The people appreciate the ecorts of the company.

The Standard Oil Company has leased the Duff and Doyle dot on the highway for an oil station. The residene occupied by Mr. Schenkel is to be removed. The company is to establish an up-to-date station with beautiful grounds and other attractive features. It will set off the corner, making it beautiful in appearance.

ESTATE OF JOHN MURPHY, DECEASED

Jas. R. Murphy, city clerk of Burlingame, has filed a petition for letters of administration in the estate of his late brother, John Murphy of Redwood City. Judge E. F. Fitzpatrick represents Mr. Murphy in the matter.

The estate consists of shares of stock in the San Mateo County Building and Loan and certain interests in real property here.

Rev. Rolland B. Dodge has officially notified the officers of the Congregational church that he will accept the call recently given him and will take over the work on August 1st Dr. Dodge is executive secretary for Congregational work in northern California and it may be some time before he can get some one for his place. Until a successor is chosen Rev. Dodge will continue to fill the office which is located in the Phelan Building, San Francisco.

WILL CONTEST WILL

Alfred P. Crane, a nephew of the this city, is suing for a part of the estate of his deceased uncle. Mr. Patton left quite a considrable estate to Mrs. Stella M. Ledlston, the widow of his deceased partner. It was thought that there would be no contest, but Mr. Crane who resided in Sonoma county decided that he would try to get a part of the estate. Mr. Patton was one of the best lawyers in California, so it is probable that his will was reasonably well made.

The Bear Flag Revolution

WHEN California passed from Spanish to Mexican rule, its people were oppressed and its missions were overthrown. The Bear Flag revolution was a movement to overcome the oppressors and make California an independent republic. This uprising took place June 14th, 1846.

It would have been a failure had not Commander Sloat of the United States navy arrived at Monterey in time to give assistance and incidentally to declare California a possession of our country.

TRUST CO. ASKS FOR LETTERS OF ADMINISTRATION IN C. C. HOOPER ESTATE

A petition for letters of administration in the estate of the late Charles Carlile Hooper, who died in Redwood City on May 9 last, was filed in the office of County Clerk Elizabeth M. Kneese at Rewood City yesterday by the Anglo California Trust Compnay of San Francisco.

The petition was accompanied by a written requst of Edward Carlile Hooper, a son, that the letters be granted.

The value of the estate has not been determined, according to the papers, and diligent search has failed to establish the fact that Hooper left a will. The heirs at law are Mrs. Virginia Bell Hooper, the widow of Redwood City; Lorraine Hooper, a daughter, of Menlo Park; Ida Bell Moss, a daughter, of Modesto; Lois Pearce Moss, a daughter of Yuma, Arizona; Charles Leslie Hooper, a son of Woodland; and Edward Carlile Hooper of San Francisco.
